Одеса — місто, яке подарувало світу безліч імен творчих людей, які зробили величезний внесок у розвиток світової культури. Серед них — видатні музиканти, які народилися та навчалися в Одесі. У нашому чудовому місті музичній освіті дітей завжди приділяли багато уваги.

І в сьогоднішніх, дуже складних умовах, у години випробувань, усі музичні освітні заклади продовжують працювати у повному обсязі. Ми розуміємо, що музика, творчість — це найкраще, що може допомогти дітям і дорослим впоратися зі стресом. Мистецтво, культура — це запорука майбутнього розвитку та процвітання. Новий нотний матеріал свідчить про те, що робота не припиняється ні на хвилину. Хочу висловити слова подяки дирекції та викладацькому складу нашої муніципальної школи мистецтв № 8 за постійну та плідну працю! Упевнена, що ця збірка принесе багато радості всім виконавцям!

Odesa is a city that gave the world many names of creative people who have made a huge contribution to the development of world culture. Among them are outstanding musicians who were born and studied in Odesa. In our beautiful city, the musical education of children has always been given much attention.

And in today's very difficult conditions during the Time of Trials, all musical educational institutions continue to work in full. We understand that music, creativity is the best thing that can help children and adults cope with stress. Art, culture is the key to future development and prosperity. The new musical material testifies that the work doesn't stop even for a minute. I want to express my gratitude to the management and the teaching staff of our Municipal Art School No. 8 for the constant and fruitful work! I am sure that this collection will bring a lot of joy to all performers!

Методичні рекомендації

Methodical Recommendations

1. «Щедрик» — обробка твору українського композитора М. Леонтовича для капели бандуристів у супроводі оркестру народних інструментів. Виконання твору вимагає від оркестрантів високого рівня володіння інструментом. Володіння звуком, тембром, а також широким діапазоном динамічних відтінків.

“Carol of the Bells” is an interpretation of the work of the Ukrainian composer M. Leontovych for the bandura-player chapel accompanied by an orchestra of folk instruments.

The performance of the work requires a high level of mastery of the instrument from the orchestrators. Possession of sound, timbre, as well as a wide range of dynamic shades.

2. «Гусачок» — твір являє собою яскравий приклад класичного українського танцю. Віртуозні партії, інструментальні переклички, швидкий темп та різка зміна характерів — танець. Танок запальний, виконується у швидкому темпі, і тому основною складністю для оркестрантів являється здатність витримати запальний темп від початку і до кінця твору.

“Gusachok” is a vivid example of classical Ukrainian dance. Virtuoso parts, instrumental roll calls, fast tempo and sharp change of characters — dance. The dance is incendiary and performed at a fast pace, and therefore the main difficulty for orchestrators is the ability to withstand the incendiary pace from the beginning to the end of the work.

3. Твір французького композитора Раймонда Лефевра «Марш жандармів», є яскравим прикладом музики до кінофільму. Твір блискуче передає безтурботний, легкий, комедійний жанр кінострічки «Жандарм із Сен-тропе». Легка, незатійлива мелодія в tandem з простим гомофоном гармонічним акомпанементом малюють картину неймовірних пригод головного героя та його друзів налаштовуючи слухача на позитивний лад, і водночас пробуджуючи бажання знову і знову переглядати цей кінофільм.

The work of the French composer Raymond Lefèvre “March of the Gendarmes,” is a vivid example of music for the movie. The work brilliantly conveys the carefree, light, comedic genre of the film “Gendarme from Saint-Trope.” A light, irreverent melody in tandem with a simple homophonic harmonic accompaniment paints a picture of the incredible adventures of the protagonist and his friends, positively setting the listener while awakening the desire to watch this movie again and again.

4. «Happy New Year» — пісня з репертуару шведського поп-гурту ABBA. На мій погляд найкраща новорічна пісня. Геніальна аранжировка Б. Ульвеус та Б. Андерссон малює незабутню картину новорічного свята. Переклад для оркестру народних інструментів зроблений так, щоб максимально передати темброве різноманіття оригінальної версії. Проста фактура, незабутня гармонія, розвинена вокальна партія.

“Happy New Year” is a song from the repertoire of the Swedish pop group ABBA. According to my opinion, it’s the best New Year’s song. The brilliant arrangement by B. Ulvaeus and B. Andersson paints an unforgettable picture of the New Year holiday. The version for the orchestra of folk instruments is made to convey the timbre variety of the original version as much as possible. Simple texture, unforgettable harmony, developed vocal part.

Марш жандармів
March of the Gendarmes

The musical score consists of eight staves, each representing a different instrument or section. The staves are arranged vertically, with the first staff at the top and the eighth at the bottom. The time signature is common time (indicated by '28'). The key signature is one flat (B-flat). The instruments and their parts are:

- Б-Н. 1 (ACC. 1): Treble clef, B-flat key.
- Б-Н. 2 (ACC. 2): Treble clef, B-flat key.
- Б-Н. 3 (ACC. 3): Treble clef, B-flat key.
- Гіт. (GTR.): Treble clef, B-flat key.
- М.Б. (S.DR.): Bass clef, B-flat key. This staff contains a dynamic instruction 'tr' (trill) over the last measure.
- ФЛ. (FL.): Treble clef, B-flat key.
- САКС. А. 1 (A. SX. 1): Treble clef, B-flat key.
- САКС. А. 2 (A. SX. 2): Treble clef, B-flat key.
- К-БАС. (D. B.): Bass clef, B-flat key.

The music begins with measures 1 through 27, where most instruments play simple rhythmic patterns. In measure 28, the instruments begin to play more complex patterns. The bassoon section (M.B.) has a prominent trill in its eighth note pattern. The flute (ФЛ.) and alto saxophones (САКС. А. 1, САКС. А. 2) play eighth-note patterns. The bassoon (К-БАС.) plays eighth-note patterns with grace notes. The tenor saxophone (Б-Н. 1) and guitar (Гіт.) play sixteenth-note patterns. The bassoon (Б-Н. 2) and alto saxophone (Б-Н. 3) play eighth-note patterns.
